

2024-25 Family Income Survey – CCCS

Dear Parent/Guardian:

Schools receive certain federal and state funding (learning assistance programs, teacher incentives, etc.) when you complete this *Family Income Survey*. Your children may qualify if your household income falls at or below the limits on this chart. This is a modified form to fit the unique situation of CCCS, who does not participate in the reimbursed school lunch program, but does receive additional funding for students that qualify for free or reduced lunch. CCCS provides lunch at no charge for any families qualifying for free *or* reduced lunch, therefore there is just one family income chart.

It is important that you complete this survey. Please complete and return this form to Melodi Jayne, CCCS Business Manager, at the office or you can email it to melodi.jayne@coburgcharter.org

2024-25 Family Income Survey – CCCS

HOUSEHOLD INCOME is considered to be any taxable income each household member received before taxes. This includes wages, social security, pension, unemployment, welfare, child support, alimony, and any other cash income. If including a foster child as part of the household, you must also include the foster child's personal income. Do not count foster payments as income.
